Dear Mr. Turns:

Mrs. King is out of the city, but asked that I acknowledge your letter dated February 22, 1999. She thanks you for sending her a signed copy of the poem you wrote about her husband, Dr. Martin Luther King, Jr. It was thoughtful of you to share this poem with her. Mrs. King also thanks you for your kind words.

Sincerely,

**Barbara A. Harrison
Executive Asst. to Mrs. King**
